
Mother Nature's Preschool Elm Street

September 2017

Dear Parents,

Welcome to Mother Nature's Preschool. September is always an exciting month with all our children coming back to school. For this month, the classes will be settling the children into a routine. During this time, the programming will be centered around the colors of Fall and the letters "A" and "B".

Both classrooms will be having a Share Circle. We ask that any personal toys be left at home except for those days. We do encourage a comfort item such as a stuffed animal, or a blanket for quiet time.

Currently we are exploring using an APP called "Story Park" or "Hi Mama". It is a collaborative app that allows both you as a parent, and your child's teacher to share photos, videos and updates throughout the day. ☺

To continue offering a Hot Lunch Program we will be asking for donations of Dry Good Items. Michelle can provide a list of our needed items for the month. If you can donate it would be greatly appreciated.

Until next month,

The Staff of Mother Nature's Preschool
